

PRIMARY AUTHORITY AGREEMENT (Updated February 2022)

Beeswift Limited is proud to announce that they have entered into a primary authority agreement with Buckinghamshire and Surrey trading standards (Surrey County Council).

This is a legally recognised partnership between Beeswift and Surrey County Council and ensures the ongoing 3 C's, Compliance, Conformity, Certification.

Together the parties will design and implement an action plan to review, monitor and assess compliance across the business. This will help to support due diligence checks and provide third party evidence and assurance of continuous improvement by the Beeswift.

Beeswift is committed to making and distributing market leading safety and protective products and equipment. We believe that this co-operation will further help to develop our knowledge and expertise and will help us to utilise the wealth of resources of the trading standards team.

We are looking forward to having a close working relationship with the Buckinghamshire and Surrey Team.
