

ANSELL SOLVEX 37-900 GLOVE SZ 10 (XL)

Product Code

AN37-900XL

- A premium nitrile glove providing superior standards of safety for high risk chemical handling
- Newly developed nitrile film offers greater strength and superior chemical resistance.
- Sets new standards for mechanical performance, with unrivalled abrasion resistance almost twice that of the current leading nitrile
- Out performs all existing nitriles in permeation tests
- 100% sampling testing : Every glove is individually subjected to a leakproof test and checked for defects before despatch
- Every glove individually air-pressure tested
