

3M FM3-L PROMASK FULL FACE RESPIRATOR MED/LGE

Product Code

3MFM3L

3M™ Promask™ Full Facepiece Reusable Respirator FM3-L is our large sized, multi-function full-face mask designed to provide durable and comfortable protection against a wide range of respiratory hazards.

- Use as a negative-pressure single-filter mask or as a face piece for a powered air respirator
- 3M™ Promask™ is compatible with the 3M™ Versaflo™ TR-600E, 3M™ Versaflo™ TR-800E, 3M™ PF-600E powered air systems as well as the 3M™ DT Series of filters including particulate, gas and vapour and combination filters
- Visor provides a good field of view, and the front-mounted speech diaphragm helps improve communication
- Sweat port helps to improve user comfort during long periods of use
- Five-point rubber head harness helps provide a secure, stable fit, and the side-fitting filter port and clear inner mask for improved forwards and downwards vision
- Filter doesn't interfere with front-mounted speech diaphragm to aid in easy communication

CE certified
