

TR 302E PLUS VERSAFLO PA TURBO UNIT

Product Code

3MTR302EPLUS

3M™ Versaflo™ TR-302E+ Powered Air Turbo for applications involving dust and mist hazards. The 3M™ Versaflo™ TR-300+ system combines performance, protection and functionality with modern, stylish, lightweight design and unrivalled comfort.

- Combines with 3M™ Versaflo™ components to build a complete system
- Respiratory protection against dusts, mists, fumes and other particulate hazards, and nuisance-level organic vapour and acid gas
- Versatile and easy-to use
- Slim, lightweight, and well-balanced so it's comfortable to wear for long work shifts
- Choice of selectable flow rates: 185 l/min and 205 l/min
- Audible and visual alarms to signal low airflow and low battery charge
- Intelligent lithium-ion battery quickly charges, has no memory effect, and features a charge status indicator
- Two battery options available: standard battery (5-6 hours) and high-capacity battery (10-12 hours)
- Easy to adjust and maintain
