DATASHEET

Product Code 3MTR6710E

3M TR-6710E VERSAFLO PARTICULATE FILTER

TR-6710E 3M[™] Versaflo[™] Particulate Filter. Our filter is designed to be used with 3M[™] Versaflo[™] Powered Air Turbo TR-600 and TR-800 Series.

- Provides protections from dust and particulate hazards
- Simple to install

• 3M recommends using TR-6100FC filter cover to help protect TR-6710E particulate filter from physical damage and hold the TR-6600 prefilter or TR-662 spark arrestor in place

- CE approved
