The Cederroth 4-in-1 mini Bloodstopper is a small and convenient sterile first aid dressing especially suitable for injuries to fingers and toes. Cederroth 4-in-1 mini is a sterile universal dressing, which consists of one elastic bandage and one compress with a non-stick wound contact layer which is stitched to the bandage. The dressing is wrapped in a pouch with printed pictorial user instructions. The Cederroth 4-in-1 mini dressing is intended to be used in first aid situations and it is especially suitable for fingers and toes.

The dressing has four functions and thereby replaces a variety of traditional first aid dressings and compresses:

Pressure pad for heavy bleeding
Protective dressing for superficial wounds
Burn dressing with special wound protecting surface
Temporary support dressing

Contents:

1 x Pad (8 x 12 cm)
1 x Elastic bandage (6 cm x 3 m)

Clear colour illustrations and First Aid instructions are printed on the packaging.
