CLINELL SPILL WIPES

clinell®

- Single Spill Wipe Pack; including one super absorbent spill pad and two disinfectant wipes
- Clinell Spill Wipes is a patented revolutionary new product specifically developed to deal with bodily fluid spills in a quick and efficient manner.
- They are a direct replacement for current blood spill kits which consist of chlorine tablets and granules, diluters and scoopers.
- The high level disinfectant reaction comes from the generation of peracetic acid and hydrogen peroxide within the super absorbent pad.
- It is proven to kill all known micro-organisms associated with blood, vomit, urine and faecal spills. This includes hepatitis B & C, HIV, Clostridium difficile and Norovirus.
