

TRADEMATE BAMBOO PRO WIPES (ROLL OF 55 WIPES)

Product Code

DTM55

DTM55

- Material: 80% Bamboo non-woven blend with 20% filament fibre
- Contents: 55 sheets, sheet size 28 x 26cm
- Absorption capacity: 785%
- Re-usable nature non-woven works more like a cloth.
- Stronger than paper. Reduces waste.
- Solvent resistant.
- Uses 80% biodegradable sustainable plant fibres, replacing the need for wood pulp processed from hardwood/softwood trees, that can lead to deforestation.
- Use for absorbing liquids, oils, solvents, working with cleaning fluids.
- Low lint finish not leaving fibres behind.
