EBC-1

- The EBC1 Enclosed Blade Cutter features a recessed blade for the highest level of safety
- Unlike cutters with exposed blades, the blade in the EBC1 is set back into the head of the cutter, providing complete protection to the user
- This safe and uncomplicated tool requires no additional training and helps eliminate any potentially dangerous loose blades in the workplace
- The versatile EBC1 effortlessly cuts corrugated boxes, shrink wrap, plastic strapping, box tape, banding, twine and more
- Attach to CL-36 Coil Lanyard for better retention.
