- The EZ7 Guarded Spring Back Safety Cutter features a metal cutting guard that moves in tandem with the blade, retracting both the guard and blade simultaneously
- The guard covers the blade during top cutting to protect the user and to help reduce damage to the product
- The spring-back blade can also be extended without the guard when needed.
- Can be used with UKH-324 or UKH-325 Holsters
- Attach to CL-36 Coil Lanyard for better retention.
