

CO2 FIRE EXTINGUISHER

Product Code

FS0005

Available in Sizes

2KG

Available in Colours

Red
FS0005

The MED 2kg Carbon Dioxide (CO₂) fire extinguisher is quality kitemark certified to BS EN3. The MED CO₂ fire extinguisher is primarily for use on fires of electrical origin. Being non-toxic and leaving no residue, CO₂ will not harm machinery or electrical equipment. All header labels are wheel marked in accordance with the Marine Equipment Directive 96/98/EC to indicate that they are suited for offshore and shipping applications. For added value, our MED 2kg CO₂ fire extinguishers come with colour coded header labels and handles which ensure that the extinguisher is identifiable from any angle, great as a visual aid to extinguisher training.
