PURELL HAND AND SURFACE SANITISING WIPES(BUCKET)CASE/6

These multi-purpose disinfecting wipes are effective for use on surfaces, class 1 medical devices, and are also unique in being safe for regular use on hands. The substrate was specifically chosen because it does not interact with the biocides thereby giving the optimum release of solution, and so greater efficiency

Benefits

- Proven to kill 99.99% of most common germs that may be harmful
- Unique positioning: wipes uniquely approved as a biocide for both PT1 (skin) and PT2 (surfaces)
- Proven to show very good skin compatibility
- Proven to be bacterial, yeasticidal and active on viruses
- Fresh menthol fragrance
- Can be used for wiping patients hands, especially at mealtimes, to clean any smooth surface, including door handles and patient chairs
- GJ92002-40 - 40 count flowpack
- GJ92106-06 - 100 count canister
- GJ92206-06 - 225 count bucket
