LED502206

- The Solidline SH6R is a rechargeable headlamp with a massive 600 lumens of brightness on Boost mode delivering an incredible 300 meter beam range; which is nearly as tall as The Shard (310 meters) in London - the UK's tallest building
- Three brightness levels - Boost (600lm), Power (250lm), Low Power (30lm), that can be directed within a 65° angle to maximise effectiveness
- Patented Advanced Focusing Optics for near (flood) or distance (spot) illumination
- Rear red light for safety
- Transport Lock to prevent accidental battery drain
- Tough protective metal housing encases the LED; coupled with an adjustable, detachable, washable headband
- Low battery warning indicator and charging status indicator
- Simple fuss-free faster recharging via the supplied micro USB cable – no need to remove the battery from its housing
- Powered by 1 x L-ion 18650 3.7V rechargeable battery (supplied)
- Designed by Ledlenser, a leader in its field and backed by a one-year warranty
