M3308

The real reusable FFP with a washable full face seal and secure fit comparable to a half mask!

- AirWave® Pleated Filter for comfortable breathing and fatigue-free work
- Longer use time, less consumption
- Comfortable full-face seal made of washable TPE material which is gentle on the skin
- Length-adjustable loop strap with clip for quick, simple and safe on and off
- ProValve: Built-in valve, reduces condensation from exhaled air
- 3D Full Face Seal: Much like a rubber half mask improves fit, and provides optimum wearing comfort.
- DuraMesh®: strong and durable structure, keeps the mask in shape
- ActivForm®: no nose clip needed
- Low Breathing Resistance: Pleated filter technology reduces inhalation resistance by up to 50% whilst maintaining filtration performance

FFP2 protection against hazardous fine dusts, water and oil based mists/aerosols, biological agents of risk Group 2.
Tested and certified to EN 149:2001+A1:2009
