

MOLDEX 3155 MASK FFP2V NRD S

Product Code

MOL3155

- The uniquely developed Series 3000 Air from Moldex offers extremely low breathing resistance and therefore increased performance of both mask and wearer.
- The filtering surface is almost 3 times larger than a standard filter product, allowing you to breathe more easily.
- Available in TWO sizes for optimum fit.
- These masks are individually bagged and PVC Free.
- The ActivForm® and comfort nose seal automatically adjusts to different face shapes and movements to give a secure fit.
- The Strap and clip allows you to hang the mask around the neck during breaks.
- The DuraMesh® shell increases shape retention and durability.
- Ventex®-valve reduces moisture and heat inside the mask.
- FFP2 protection against toxic dusts, fumes and water/oil based mists/aerosols 10 x WEL
