

V-GARD H1 TRI-VENTED HELMET WHITE

Product Code

MSA10194783

Working at heights safety helmet designed for tower climbing, forestry, rescue and confined spaces. The V-Gard® H1 Safety Helmet provides exceptional comfort and ease of use in a stylish low-profile hard hat design. A complete above-the-neck platform for all applications.

- Fas-Trac® III Pivot Ratchet Suspension for superior comfort, adjustability, and range of motion
- Non-contact foam liner maximizes air flow and breathability for optimal cooling and hygiene.
- Tri-vented option for optimal air flow and cooling (Non-vented option for use in electrical applications)
- Field replaceable 4-point chinstraps with multiple adjustment points for customized fit and comfort
- Premium moisture wicking headband with breathable foam and hook and loop attachment for easy field replacement.
- Patented “push-button” accessory attachment rail and universal clips for head lamps enables quick installation and removal, with no need for an additional carrier
- Low profile design, even with a visor or spectacles attached
- Convenient rescue whistle integrated into the chin strap buckle
- Matte finish HDPE shell
- Standard reflective stickers
- Optional logo customisation in up to 3 locations
- Compatible with a wide range of H1 attachments including face shields, spectacles and V-Gard ear defenders
- EN 12492:2012 Mountaineering equipment. Helmets for mountaineers.
