QBA-375

- The QBA-375 Utility Knife is a favourite among contractors and industrial professionals everywhere due to its truly unique auto-loading design and sturdy construction
- This ground breaking tool features a one-button automatic blade change that comes pre-loaded with five additional blades which can be easily engaged at any time
- This feature allows you to work uninterrupted without stopping to manually replace blades.
- In addition to the effortless blade change, this knife has a heavy-duty die cast metal body, ergonomic rubber grip, and three secure locking blade depths.
- Use with the UKH-326 Leather Holster to be locked and loaded for your toughest jobs.
