Designed to soothe tired, aching feet, reusable Hot & Cold Gel Slippers provide full coverage hot or cold comfort when it's needed most. Cold slippers also help regulate your temperature by shedding heat from your feet and cooling them down. Intended to reduce swelling and relieve foot discomfort associated with numerous health conditions, they can also be used to soothe soreness after a long day of standing or wearing uncomfortable footwear. The patent-pending triple layer premium fabric is soft on the outside and tough on the inside, featuring a crack-resistant inner liner to protect against leakage. Filled with Contour-Gel, rapid aid slippers also mould perfectly to the feet, offering a therapeutic experience unlike any other.

### COLD THERAPY
