

DEXTERITY GLV NITRILE PALM 11

Product Code

SUS13KFGFNT11

Dexterity® Nitrile Palm-Coated Cut-Resistant String-Knit Glove

FEATURES

- Composite fine-guage knit is highly dextrous yet provides stellar cut protection: gloves resisted 1712 grams of cut force for a EN388 cut-level 5 rating
- Composite filament fibre wrapped with Kevlar® fibre provides great cut protection, since composite filament fibre boosts cut resistance without adding bulk and reducing cost
- Foam Nitrile palm coating provides excellent grip by displacing oil on slippery surfaces

- Conforms to EN388 4532
- 4 - Abrasion
- 5 - Cut Resistance
- 3 - Tear Resistance
- 2 - Puncture Resistance

APPLICATIONS

Automotive
Light Metal Stamping, Fabrication
Small Parts Handling
Assembly
Glass Handling
Sheet Metal Work
