WSID02G

The WSID-02G Worker Emergency : ICE ID TAG is ideal for work sites that utilize workers from mixed nationalities or for use by companies that operate within multiple worldwide locations.

Based on our popular (data window) WSID-02, our GLOBAL USE WSID-02G utilizes internationally recognized symbols rather than text on both the ID sleeve and ID card within to ensure effectiveness of the system in all languages and countries.

Available in Orange Scotchlite reflective material, this product shares the same features of our standard WSID-02 version

Our (Worker Safety) Hard Hat ID's are very versatile and can also be fitted to clothing and other work equipment such as a harness, reflective vest etc.

Very durable, weatherproof & can withstand extremes of heat and cold (tried and tested from the extremes of Canadian cold and the heat of United Arab Emirates.
